

# Kyocera Marbl K127 Battery Replacement

This guide will show you how to remove the battery and install a new one.

Written By: Brittany Mitchell

## INTRODUCTION

This guide will teach you how to successfully remove the battery from the Kyocera K127 cell phone and install a new one. The process involves just two steps.

---

### PARTS:

- [Kyocera Marbl K127 Battery](#) (1)
-

## Step 1 — Remove the cover on the back of the phone.

- Place your thumbs on the pack of the phone and slide them in a downward motion to remove the cover.

## Step 2 — Remove the battery

- Use your index finger at the top of the battery and pull it towards your body.

To reassemble your device, follow these instructions in reverse order.
